Description

The property comprises a corner terrace, two storey, plus loft property and traditional brick construction, under a pitched slate roof, with single storey outriggers to the side. Onsite parking is available outside the property, either on the road, or within the curtilages of the site, which have been concrete surfaced to accommodate this.

Internally the property is occupied by two tenants, being a chemist at ground floor and accountants offices at first and loft level. The ground floor is fitted out with a typical specification for a chemist with counter and reception area, plus dispensary, kitchen, stores and WC's to the rear. The first floor, which is accessed via an external stairwell to the rear provides a reception, a number of offices, plus records store, whilst the attic level offers further offices, plus kitchen and separate male and female WC's. Walls are generally plastered or papered, whilst floors are carpeted in the main, whilst there are also some suspended ceilings with integrated lighting. Heating is by way of gas fired central heating. Windows throughout the property are uPVC double glazed units, while the lower windows benefit from roller security shutters.
